

“The Margaret Kane”

Is a wide-beam canal boat, Purpose built in 2007, providing:

Easy wheelchair and disabled access

The boat is equipped with a lift, (with stairs removed) as well as wide corridor & doors to cater for wheelchair access

There is spacious, centrally heated living accommodation including 2 en-suite bedrooms, kitchen and lounge/dining room

Bedroom 1 comprises Lower single bed that converts into a double with overhead single bunk. Shelves and cupboards for storage and en-suite shower, sink & toilet

Bedroom 2 (above) comprises 4 single bunk beds, each with individual cupboard space and light, as well as shelves for extra storage and en-suite sink & toilet

Kitchen is fully equipped with pots, pans, glasses etc and includes sink, fridge, oven, and hob with collapsible breakfast bar providing additional worktop and dining space.

Lounge provides all the comforts of home with bench seating and double bed settee that will open up to provide additional sleeping accommodation. There is also TV and DVD

For further information on how to book a day trip for up to 10 people or a 3 night break for a family of 6 please contact Louise Dawson at louise.dawson@tsctrust.org or 0161 763 5760
